# BUSINESS STRATEGY ADVISORY

WGH is a boutique consulting firm, taking our clients through their strategy-, business processes- and technology journeys.

Our team of experienced Chartered Accountants excel in the rethinking of every element of your business strategy, processes, operations and technology, considering both the past and the future position and goals of your company.

We understand that the most important part of strategy is "Implementing strategy"..... our services and advice are therefore practical. We walk the road with our clients ensuring that the organisational strategy is converted into an optimised operating model to unlock productivity and drive performance.

# APPROACH

Business  
Consulting  
Services

*An Organisation needs to be lead*

Facing both tactical and strategical challenges, we offer our clients and partners strategic direction and guidance in an unpredictable and uncertain economy through our full-suite of strategy services.

## POSITION & DIRECTION

We provide tailored advice to small, medium and large businesses over a range of industries seeking transparency on strategy and direction. Our team's capability to understand your business, and the market in which you operate, is key to advise on clear direction and position.

## CONVERTING DATA INTO INTELLIGENCE

We enable you to make better, informed decisions and prepare you for the strategic journey ahead. Converting data into intelligence, equips you with the right information to make impactful strategic decisions for your business.

## OPERATIONS & PERFORMANCE

Productivity and Performance is key to any business's success. Thus, the alignment of your organisation's strategy will optimise operations and improve the business's core purpose and function. Our team draws on solid technical experience, combined with creative solution finding to configure your business and to maximise performance and provide you with a sustainable competitive advantage and value proposition.

# CERTIFIED SOLUTION PROVIDER

## Partnering with Technology

My Solutions is the origin of a new revolution – the much-hailed Fourth Industrial Revolution – a fusion of leading-edge production techniques and smart systems that integrate with organisations and people. Come with us on a journey through the technologies driving this process and its accelerating advantage. This is achieved by simplifying digital engagement and experiences for clients and understanding the digital platforms.

Our Tech team assess every need and requirement, internally and externally and develops fit-for-purpose technology solutions to enhance processes and assist our clients.
